Dear Kelvin,

We will need your authorization on the enclosed Assignment and Declaration and Power of Attorney conveying the inventors' rights in the application and invention to Infospace. The Assignment will need to be signed on Page 2 in the presence of a notary public. The Power of Attorney needs to be signed on Page 3 but does not require a notary public.

Could you also provide me your home telephone number, an email address if you have one, and your country of citizenship.

A self-addressed stamped envelope is enclosed for your convenience in returning these documents to me as soon as possible. If you have any questions, please call me at (425) 201-8923 or email me at jan.riggs@infospace.com.

Thank you very much.

Sincerely,
